STAT

Thank you for your letter of April 14. I have passed it on to the proper people here and I hope that within a few days you will receive the usual documents.

I have no idea, of course, as to whether your hopes will be fulfilled except the general one that your record looks as though you would be worth anybody's serious consideration.

Sincerely,

Senator Leverett Saltonstall  
United States Senate  
Washington, D. C.

Dear Senator:

STAT                   The delay in replying to your letter of  
6 April regarding [ ] is due to the  
fact that I was investigating the exact status of  
his application here in the Agency. I can assure you  
that he is now being given very careful consideration  
by one of our offices, and I hope that we can give  
him some definite word in the near future.

This word from you and President Baxter  
of Williams College is very helpful to us.

Faithfully yours,

ALLEN W. GULLPS  
Deputy Director
